

# The Power of Public Speaking

Open the English door to the world.

**Let's harness your energy and potential to the greater goal of speaking well in public!**

**Deliver your message with heart-felt sincerity, authenticity and integrity.**

*"In today's International context, we all need to be at ease communicating in English.*

*With this interactive learning program, we will get you there." Margaret Brautigam*

## WORKSHOP OBJECTIVES

Using various public speaking platforms, you will practice proven techniques in creating impactful presentations.

You will be train to:

Manage stage fright.

Increase your sphere of influence by respecting others.

Deliver clearly structured and high-impact messages.

Use your body : eye-contact, gestures, posture, breathing and voice.

Prepare your message and your arguments.

Anticipate counter-arguments to better launch your ideas.

Capture and hold the audience's attention with relaxed confidence.

Convey the passion you feel and share it with the world.

Dare to be yourself!

## TIMING

Flexible formulas
